**PAYMENT OPTIONS**

Payment is due when services are rendered. Companion Animal Hospital accepts cash, check, Visa, Mastercard, American Express, and Discover. If your pet is admitted for a surgical procedure or diagnostic testing, you will be asked to leave a deposit in the amount of the estimated charges. Feel free to ask for an estimate of charges at any time.

If you have pet insurance, please bring the necessary forms with you to the appointment for doctor review and signature. You will be provided with two copies of the receipt for your records.

**Collections:** Clients that have an unresolved balance will be sent to collections. Clients will then accrue additional collection fees. Clients are expected to resolve all balances and/or collection issues before scheduling their pets' next appointment. Companion Animal Hospital does not permit clients to carry balances.
